

# roller cleaner 118A

For Higher Quality In Offset Printing

Print quality and profitability are directly related to the choice system components.

## Application

The printcom roller cleaner 118A is a powerful, paste-like deep cleaning agent for removing ink residue from printing rollers and blankets .

It is used for highly pigmented inks and when changing from darker to lighter inks.

## Advantages

- Quick and thorough removal of ink residue from ink rollers and blankets
- Particularly suitable for highly pigmented or darker inks
- Improves ink receptivity
- Restores optimum ink distribution
- Free of abrasives
- VOC-free

Each printcom auxiliary product has been thoroughly tested by manroland's research and development departments for its press compatibility and performance.

If used as intended, these products will ensure efficient production processes, with the added benefit of preserving the life and value of your press.

printcom stands for "print competence" and represents manroland's offering of process-compliant system components for the printing industry. Customer satisfaction is our top priority, and the printcom team is here to serve you.

#### Technical Data

Type of Cleaner	sheetfed cleaning agent
Application Areas	roller wash-up device manual washing
Composition	paste
Color	white
Specific Gravity at 20 °C	1.20

#### Directions for Use

Using a spatula, apply a liberal amount of ready-made printcom roller cleaner 118A to the conventionally cleaned ink rollers and let run idle for a few minutes. Wash off using water or a conventional roller wash.

When using printcom roller cleaner 118A, please observe the safety instructions on the product label and material safety datasheet as well as the relevant regulations for the prevention of industrial accidents and other applicable rules!

#### Packaging Units

All packaging units are non-returnable.

Tubs	2 pounds
------	----------

#### Transport and Storage

cool and dry, protected against freezing

#### Labeling

Health	1
Flammability	0
Reactivity	0
Protection	B
