

MAINTENANCE & SERVICE CONTRACTS

## Repairs

## For fast and competent servicing

**manroland offers you fast and competent servicing of your printing system.**

This servicing attends to settings and replacement of defective parts that require the specialist knowledge of manroland technicians or the use of special tools or devices.

Servicing is done at the end of an audit or after correction of a failure. The extent of the repairs and the budget are agreed with you in the scope of the service contract.

The budget includes time-defined or fixed cost rates for the work to be done for all planned or unplanned repairs. ■■

## Advantages

- Repair work can be budgeted
- Specially trained manroland technicians for the specific assembly attend to the work in your plant
- Special tools and equipment available when needed

## Price

Fixed price per press or printing system; travel and other costs included in the service contract
